## **ANALYSIS**

This is the first extension of time request for the approved Site Development Plan Review (SDR-13428) for a 99-unit expansion to an existing 110-unit Senior Citizen Apartment. This review replaced the earlier Site Development Plan Review (SDR-3958) for a 50-unit Multi-Family development and was approved by the City Council with an associated Waiver (WVR-13432); Variance (VAR-13429); Variance (VAR-13430); Special Use Permit (SUP-13431); and a Vacation (VAC-13433). Since the approval the applicant has not performed the Reversionary map as required by Condition Number 14 of the approved Site Development Plan Review. Although a civil plan review for an apartment complex has been submitted to staff for review there have been no plan checks submitted for the proposed development.

## **FINDINGS**

Approval of this request for an extension of time of the approved Site Development Plan Review (SDR-13428) is deemed appropriate with a two-year time limit that will expire on 08/16/10, unless another extension of time is approved by the City Council.
